OFFICE NOTE.

SUBJECT. Petition of Nandi Khaja Mahomed Saib regarding fuel in the Saubareyida.

LAST REFERENCE. Letter No. 266 dated 16th November 1903 from the District Forest Officer Bangalore.

On 1st October 1902 one Khaja Mahomed Saib of Nandi executed a Muchalika in favor of the Bangalore Range officer on a Stamp paper agreeing to remove from the two coupes marked by the Dept for felling, all wood fit for fuel at 8as per cartload in the Saubareyida Kaval, in that portion, situated in the Davenhalli Taluk.

Cir: to No 266 of 16/11/04

Sn No (4)

2 On 11th October 1902 Mastan Saib of Chikaballapur represented that he had obtained the lease of that portion of the Kaval in the Chikaballapur Taluk at 12as

Cn. (6)

a cartload and prayed that
the portion given to Khaja
Mahomed, said may be given
to him. The Distt Forest Officer sent
this to Mr Abdul Karim, Bangalore,
with a D.O. and intimated that the
matter had been reported to Govt.
for approval of the 12 annas rate.
On these papers being sent to the Range
Officer Bangalore, he reported that as Khaja
Mahomed Saib did not answer
his call it was apparent he was
unwilling to raise the rate to 12 as.
In reply he was informed that if he
agreed it may be sold to him. The
Range Officer in turn instructed the
Forester of Doddaballapur to cancell
Khaja Mahomed's Mutchalika, send
for Mastan Sab and take a fresh
Mutchalika and deposit amount
from him. On 24.1.03 however
Khaja Mahomed presented himself
and agreed to take the lease at 12 as
and deposited a sum of Rs 257 In
reporting this to the Distt Forest Officer
the Ranger solicited orders for issuing
a license early as the fuel was urgently
required for Plague purposes and as
to how the deposit should be disposed
of and whether a fresh mutchalika
should be obtained from him.
Mr Abdul Karim approved of this
and directed that a fresh Mutchalika
should be obtained and the deposit
amount should be placed in the
Savings Bank.

Sn (3)

3. In the meantime the records
having been recalled the Forester could

not take any action and suggested that as there was much competition the Coupes may be sold in public auction. The Range Officer in soliciting final orders stated that Mastan Sab having kept aloof when called upon, only put in Sakaran or Darkhast when the matter had been settled with Khaja Mahomed. and now offered 13 as a cartload.

(12) On 11th March 1903 the District Forest Officer directed that the lot should be put up to auction commencing with as 13 as the first bid.

(13) It was sold on 23rd April 1903 and the highest bid of Rs 1. 9. 6 was in the name of Khaja Mahomed. In addition to the usual consent of all the parties who were present a separate Muchalika was taken from Mastan said to the effect that he was not willing to bid above Rs 1. 9. 6.

4. The portion of the Sambar-gida Kaval in the Devanhalli DK having been transferred to the management of the Kolar District Forest Officer with effect from the 1st of July 1903, the records connected with the sale of the Coupe to Khaja Mahomed were given over to the Chikkaballapur Ranger

who issued a notice to Khaja Mahomed Saib calling upon him to execute the Muttchalika as per conditions of auction sale of 23rd April 1903. On 27.10.03 he represented that he had been ill and unable to move about and when he got better he would Execute the usual Muttchalika. No Muttchalika has as yet been executed

5. In Connection with the appeal of Khaja Mahomed Saib the District Forest Officer of Bangalore was called upon to submit a report together with the original records: M. Abdul Karim now submits the papers with the ~~report~~ D.F.O. quoted under reference. He reports that the Sambarida Kaval was divided into coupes of 40 acres each and was being given out for cutting and removing thorny Jandarsi and other scrub on coppice system. Naidi Khaja Mahomed Saib was the last purchaser in 1901. 2 as. per cartload. In the following year he wanted it and it was put up in auction. As there were no bidders it was knocked down to him for 7as. When M. Abdul Karim subsequently went to Doddaballapur Khaja Mahomed Saib saw him at Nijani Nosakally where he was told that his bid was low. As he consented to raise it to 8 as the Range Officer was told to take a Muttchalika from him. Subsequently

intimation had been received that Kolar portion of the Kaval was sold at 12 as to Mustan Saib who was willing to take Devanhally portion also for 12 as. But as he did not turn up Khaja Mahd offered the same 12 as. Mustan Saib subsequently turned up and offered 13 as. By pitting Mastan Saib against Khaja Mahomed Abdul Karim states that the bid was raised to Rs 1. 9. 6. and before the sale could be confirmed the Kaval was transferred to him under orders of the Court and all papers and deposit amount relating to the transaction in question were made over to Chikkaballapur Range Officer. As the petitioner wanted the monopoly at any different rates had to be held and beyond unconscionably delaying the matter, the Bangalore Range Subordinates did not mis-behave themselves in any way.

6. In his petition dated 26th March 1903, which was submitted immediately after the orders of the Dt Forest Officer directing the sale of the Coupes by public auction

and on which the foregoing records have been obtained, Khaja Mahomed Saib complains that it was improper on the part of the Bangalore Range Officer to have altered the terms of his contract when he had purchased the lot in auction at 8as a cart load and after his muchalika had been executed and accepted As the wood was urgently required by him for domestic purposes he offered even 12as ~~8~~ as it was urged that it was sold at 12 as in the adjoining portion of the Kaval and also deposited a sum of Rs 20/ though he petitioned the D. F. officer his orders were passed. He also states that when he was a mastry in the Kamasettichally Plantation Mastan Saib was criminally prosecuted for cutting firewood in the Sambargida Kaval which can be ascertained from records. As there is enmity between them he prays that the sale at 8as may be sanctioned to him, but if this is impossible he says he is prepared to pay at 12as a cart-load or any rate which the Govt. may fix for the removal of firewood.

Secd. for orders.

The point for orders

4

is whether the rate of Rs 1. 9. 6
Contracted for is to be accepted
or the rate of 12 as as
originally agreed to by the petitioners
& the Conservator

Since he purchased the fuel at the
fixed amount at Rs 1. 9. 6. per cart load,
he must either fulfil the contract or
forfeit the deposit.

SIR,

In forwarding copy of Bangalore Deputy Commissioner's docket no 127 dated 15th ultimo and the alienation statement therewith received, I have the honor to report that part of the Sambargida Kaval in the Devanahalli Taluk, of which a separate reference will be made by the Deputy Commissioner, has been handed over for plantation purposes, and that in the midst of this land there are two inams to be taken up, bearing Survey nos 33 and 34, as will be seen on the Kaval map enclosed. — One of the Inamdars, by name Chennappa, Shanbogue of Sambargida Kaval has agreed to take equivalent land in exchange and has accordingly selected a waste, no 26, measuring 8 — 12 acres-guntas with an assessment of Rs 21 in the Bodenahalli village from which his inam should ——— be allotted. — The Deputy Commissioner states that there is

is no objection to grant the Inamdars request and I therefore beg that sanction of Government may be conveyed to the same, pending a similar allotment for the other inam land, no 34, about which I am in communication with the Deputy Commissioner. ———
